# Management to Discuss 'Great Issues' at Meet

"Great Issues in Modern Management" will be the theme of the eleventh annual Work Wiser Conference of the National Management Assn.'s Southern California Area Council in Long Beach May 2, according to President V. A. Sharer of the Ryan Torrance Management Club, of the Electronics Division, Ryan Aeronautical Co.

Representatives of 40 industrial management clubs from Bakersfield to San Diego will convene at the Lafayette Hotel to participate in a series of day-long group lectures and discussions.

The conference will feature two prominent speakers—Harold Sherman, philosopher, lecturer and author of "TNT—the Power Within You," and John H. Furby, one of America's top interpreters of the air age.

A special program has been arranged for the wives of the conference delegates, a Council spokesman said.

"SAY CHEESE" . . . When Atty. Albert Isen opened his new offices at 2271 Torrance Blvd. Thursday afternoon, he pulled a switch on newsmen—having them cut the ribbon while he took the picture. It's usually the other way around, because, in addition to his law practice, Isen is Torrance's mayor. Left to right are Reid Bundy of the HERALD, Baxter Omohundro, and Kurt Liepman. The mayor's pictures didn't turn out, so we borrowed a shot made by a bystander.

## Rules Available for 1959 Soap Box Derby Entrants

When the first racer crosses the finish line at Derby Downs in Akron, Ohio, next Aug. 16, the All-American Soap Box Derby will have marked its 22nd anniversary as a community and outh service of international importance.

Actually, the All-American Soap Box Derby is the end result of what started out 25 years ago to be one man's idea for a one-city activity.

TODAY, it has grown to be international in scope. The record setting 1958 program was held in 160 cities plus West Germany, Alaska, Canada, Venezuela, and the Philippines. In Germany alone more than 100 cities and towns had some 10,000 boys participating for the honor of going to Akron for the finals.

Southern California has been represented with national champs twice in the history of the All-American. Gilbert Klecan of San Diego won the honors in 1946 and Richard Kemp of Los Angeles came in first in 1954.

Last year, Ronnie Ashley of Lakewood was barely nosed out by the champ.

PERHAPS a Torrance boy can be in the finals at Akron this year.

All boys between 11 and 15 years of age who wish to compete in this year's local race may check with Les Ayers at Paul's Chevrolet, 1640 Cabrillo Ave., downtown Torrance, for complete information and the official 1959 rulesbook.

The qualifying runs for Torrance area racers will be held in Long Beach July 31, Ayers reports.

## New Body Shop Owner Says Experience Is Important

Experience and ability are important in most businesses and particularly so in the automobile body reconstruction field. Pete Salmon, new owner of the Torrance Body Shop, 1766 W. Carson St., and his staff of metalmen and painters qualify to the 9th degree in both phases.

The Torrance Body Shop features custom painting and auto reconditioning for both domestic and sports cars. They offer free estimates and loan cars. Fast and courteous service is the rule in his shop, Salmon said, and added that he

operates an approved garage with most insurance companies.
